Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Sunday 13 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Fine and very warm with sunshine.

Today:
A fine day, with lengthy periods of sunshine across the region. Feeling very warm given the light winds, with temperatures peaking in the high-twenties degrees Celsius. Maximum temperature 28 deg C (82 deg F).

Tonight:
Fine but very warm and humid for many, with temperatures a little higher than last night in the north especially as winds stay generally light. Minimum temperature 18 deg C (64 deg F).

Monday:
Staying fine, with lengthy periods of sunshine. Feeling hotter than over the weekend in many areas, especially in coastal districts. Perhaps a little more cloud around later in the day. Maximum temperature 29 deg C (84 deg F).

Outlook for Tuesday to Thursday:
Very warm with further sunshine Tuesday and initially on Wednesday, but with a risk of a swathe of thundery showers spreading northwards later and into Thursday.
